2 JULY 	27 AUGUST 
SNETTERTON 300	DONINGTON PARK GP
	
Entry Fee: £1,650 + VAT	Entry Fee: £2,000 + VAT

WHY CHOOSE GREYSTONE GT?

Greystone GT High-Performance Test Days are distinctive thanks to our unique format and focus on creating a first-class testing environment at each one of the circuits that we visit.

We set our dates to be shortly before major UK GT race events at the same circuit and we apply strict limits on car numbers at each event.

We operate an open-pitlane format and only allow race cars with GT4 levels of performance and above to ensure the highest quality of track space for our clients.

PITLANE HOSPITALITY LOUNGE

At Greystone GT we understand the requirements of a professional race team, including the need to provide the highest service to their team and their drivers.

We aim to help teams focus on the serious job of testing, so we provide our own hospitality area to reduce the need for teams to provide their own.

Our fully-furnished hospitality lounge is conveniently positioned in the pit garages and all team personnel and drivers can enjoy unlimited refreshments including specially blended coffee from our Greystone GT coffee barista at no extra cost.

TYRE SUPPORT

Pirelli & Michelin tyre support services will be provided by Protyre at every Greystone GT High-Performance Test Day.

LIVE TIMING

TSL will provide live timing services at every Greystone GT High-Performance Test Day, and our 55" screen will display lap times in the Greystone GT Pit Lane Hospitality Lounge throughout the day.

PROFESSIONAL PHOTOGRAPHY

Working with our award-winning photography partners, we provide complimentary high-resolution images for all participants for use on social media, commercial materials or as a memento of the day.
